“ Hey Cuz, I miss you so much, sometimes I could just kick myself for not keeping up our family reunions, so I could see (play) with you and Liz. I know that you and Aunt Inez are serving the Lord with my Mama, your Aunt Kittie. What I don't like is you being absent from this mean old earth, although I am glad that your suffering is over and you fought a great fight. Now you received the greatest reward of all...HEAVEN. I talk to Liz occasionally, but not enough to suit me. You know she has always been the quiet one (people say the quiet ones are the smartest), and you and I were always the loudest in our crowd. I sure miss those days. I wish I could be with Liz and hold her hand and just be there for her. Although everyone knows NOBODY can replace you!!! I imagine the only one she wants is her twin sister back...YOU. We have always been so close and I miss that, but Liz and I will see you one day in the Heavenly Sky. I have told my kids all about you two twins and they always wanted to meet ya'll face to face. Now I tell my grand babies all about you and Liz being twins and they are facinated!!! Well Sweetie, I could go on and on, but I was just thinking about you and Liz, and missing both of you, so I decided to bother you this time instead of Liz. I love you both so much. Don't let Corky get you too much with his beard, he likes to nuzzle necks. I know he probably has a couple of times already. I will miss you until Jesus comes for us. I love you, Mel
