“ Dear family, Your mom was such a dear and special friend for many years to my mother, Jewell Batchelor, and I have such fond memories of the times I spent with my grandmother and my aunt visiting with your mom and fishing in your parents' pond when I was a little girl. I was so sorry to read of your loss, but I know that our two moms are probably blissfully reuniting and enjoying one of their long, pleasant conversations! We will be remembering each of you in our prayers in the days ahead.

“ Adeline, I know that you are going to miss your Mother, but keep in mind that she is at peace now. I also know that you devoted all of your spare time in providing for her and to make sure that she was as comfortable as possible. I will never forget the last conversation with her at the Senior Center when she introduced me to the group that I was her adopted Son. God Bless You and Your Family. "Pat & Gene Craven"
