“ Tony and Randy, I am so sad at the sudden passing of your mom. I worked with her many years at Uptons and we all became like families, still keeping in touch. We shared so much about our kids and had so many laughs together. I pray God will fill this precious void in your lives and you will always remember the memories of your mom.

“ Randy and Tony and families I was so shocked and saddened to hear of Joan's passing. I have so many wonderful memories of our days at Uptons. She had such an amazing laugh and we had a lot of laughs in the ten years we were together at work. So many talks about our kids and families. She was so proud of you boys. I hope your wonderful memories will bring you peace and I know she will always be in your hearts.
