“ Aunt Mickey, I am deeply saddened by your passing and am honored to have had such a kind, smart, loving, and caring Aunt/Godmother in my life. I will always treasure the times spent with you and Uncle Kippy over the years, and in many places (Pennsylvania, New Jersey, Michigan, Georgia). May you rest in peace in heaven with Uncle Kippy. I miss you dearly.

“ Michael and Family,
Please accept our condolences on the passing of your mom. We met your mom and dad several years ago while doing work on their home in Springwater and remained friends for the past many years. I had the pleasure of speaking with her at church every Saturday evening following your dad's passing. I missed her smiling face the last couple of years following her move to a Nursing facility. Please know that she will be sorely missed.

“ *I am remembering Mickey and Mike and the fun we had together in Morristown, NJ. We played bridge and golf and shared so many dinners. We sailed through the Panama Canal and golfed in California. My Mike and I visited Mickey and Mike in Noonan several times. I like to think the three of them are sharing a toddy in heaven. Mickey and I could do a time step together. Now that's a friend who can never be replaced. I will miss you, dear friend. Charmaine Banky*
