

Melissa Ann Nichols

September 10, 1970 - February 8, 2020

Melissa Ann Nichols, age 49, went to be with the Lord on February 8, 2020. Melissa was born in Houston, Texas on September 10, 1970 to her parents Elizabeth and Felix Rabago. Melissa was the youngest of 3 children and she leaves behind her sister Jennifer Lynn Rabago and her brother Felix Edward Rabago.

Melissa Ann Rabago met her best friend and her beloved husband Brian Allan Nichols when she was 16 years old in Demming, New Mexico in 1987. Melissa and Brian married each other on December 7, 1990. They had two beautiful daughters, Brittany Brianna Nichols and Alyssa Marie Nichols.

Melissa was a kind and loving person. She was beautiful on the inside and outside. She loved helping people and had a huge heart. She loved to read the Bible and live by the word of God. She had a very God-like spirit. Melissa loved spending time with her family, Brian, Brittany, Alyssa, and Brooklynn. Her favorite thing to do was to spend time with her 8-year-old granddaughter, Brooklynn Skye. Brooklynn meant the world to Melissa. They had a strong bond and Melissa always told Brooklynn, "No matter what I will always be here in your heart."

Melissa is survived by her devoted husband, Brain Nichols; her two daughters, Brittany Nichols and Alyssa Nichols; her granddaughter,

Brooklynn Nichols; her mother and step-father, Elizabeth and Donald Linnell; her grandmother Maria Gonzalez; her sister and brother-in-law, Jennifer and Jamie Price; her brother, Felix Edward Rabago; her niece and nephews, Nicole Keaton and Zachary Miller; her father and step-mother, Felix and Susie Rabago; her step-sisters and step-brother, Jennifer Chastain, Kathy Dunn, and Frank Baird; her mother-in-law and father-in-law, Carlene and Mongin Smyly; her sister-in-law Michelle Lucas, and many aunts, uncles, cousins, and many extended family members.

“Melissa was and always will be my guardian angel. I knew the moment we met she was a special person. Someone who showed me how to love and what love really means. We loved each other unconditionally, as we did our children and grand child. I know for a fact GOD needed you for bigger things babe, just didnt think it would be so soon. Im still in a haze, as i think of you always. I miss how much fun you were and your ability to make people happy. I miss your beautiful voice, they way you looked into my soul and made me feel loved. I thank GOD everyday for the time i was able to spend with such an angelic human being. I miss you singing to me and reading the Bible to me, as you had such a soothing voice. I know we will be together again and i know your no longer in pain, getting our place ready. I will see you again my love, for eternity.

“ I can't even come close in words to descibe Melissa and what She meant/means to me. She was my best friend and an Angel on my shoulder that kept me safe for years. Not only did She have many chapters to be written but best selling books to write! Brilliant and Inspiring. Compassionate beyond anyone could ever imagine with the Imagination and creativity that brought her stories to life! But then her stories were for the most part based on her amazing experiences of being a wife and a mother and the most amazing grandmother of all the land! I know her grand daughter would have lots to say about that! 😊 I am still waiting to hear the end Melissa. I would like to have closure. I miss you dearly my friend! You always said that You will always be younger that me but I was counting on you to keep the scoreboard real close for many many years to come. You tought me much but touched soul much more. It is no coincidence that the Pastor said family and friend. Because I was that 1 true friend. And her family was/is priceless to her. She is right with you all and will walk beside you always in heart and spirit. God Bless you guys. I am so sorry for your loss. I know hard it must be but at the same time motivating knowing that She too gave her life for you. I believe She believes that. She felt like it was the only way. Sleep with the Angels Meli! Till we meet again.

“ I remember Mellisa when she was young and running the streets of South Houston/Pasadena with my 2 girls. She was first one to get caught and to let her mom and me know what we were doing wrong! Fly high Mellisa and we will remember you as young beautiful lady that you were. ❤️

“ Melissa and I were Best Friends when I moved to Jonesboro to live with my dad in the 80's. We went through a lot of ups and downs together. And counted on each other for so much! We had the best times and I loved her laugh!! I will always think of Melissa as my first best friend and will always remember her fondly!!!
