“ *Sorry to hear about the death of Melvin, he used to deliver gas to my home and then I became friends with him and Louise and always enjoyed his sense of humor. Haven't seen him in quite sometime but I never passed his house but what I didn't think about him and Louise. My thoughts and prayers are with his family during this difficult time, may God give you the comfort and strength that you need at this time and in the days and weeks ahead.
