“ *Even though it's so hard to lose her, she went with the same quiet grace she had handled all the other trials in her life. I'll miss her sweet ways, her quirky humor, and the way she faced every day with such courage. You know my heart is with you, Terry, and Megan, you had someone in your life most people can only hope for. She's at peace now. A special thank you to all the people who cared for her in the last years, even when she said she was 'fine'. It was my great honor to have her in my life. Connie*
