“ It was an honor to be one of Otis's caregivers. I only knew him for a few months, but grew to care for him in that short time. Rest in Peace Otis.

“ It was truly an awesome experience working for Mr Otis as his staffing coordinator/personal assistant for the past year and a half. We had wonderful talks and shared many comical situations in the time that I was privileged to be in his presence. I will miss him and Duke dearly. And now they are together once again.
