“ I’m so sorry to hear about Patsy. Our fathers were brothers. We lived in Phoenix, AZ and would always attend the family reunions in San Antonio. Patsy was always so nice to me, and I always thought she was so pretty and gracious. I appreciated her kindness and making me feel welcome. We had a large family, and it was hard remembering who was who and who belonged to who, but Patsy always was always there with open arms. Many warm thoughts to her family.

“ One of my favorite memories of Memaw was when we were camping in Tennessee, it was a crips morning and she went for a walk with us as my brother and I rode our bike. Watching her enjoy the morning air and watching me learn to ride is a bike is always my favorite! ❤️
