“ To a wonderful grandmother, mother and guardian.
I guess you couldn't wait any longer to be with your soulmate.
I'm relieved to know you and granddaddy are at peace now and are
in good hands by God but that doesn't change the fact I miss you
both more than anything
you've been there for me all my life and have done so much for my
dad and I.
You pretty much was like a second mother and helped raise me.
I thank you more than words could express because without you
two I wouldn't be here today and neither would my dad.
I'm glad I returned the favor even though it was hard and was there
for you when you needed us during those difficult moments but
while I was beside you toward the end somehow I still managed to
keep a smile on your face.
Rest in piece and we love you so much.
