“ I have known Paul since we were 4 years old when our moms registered us for kindergarten. We have kept in touch throughout the years usually meeting in Atlanta. He was a very kind, considerate, and gentle human being. He even flew to NJ for my husband’s funeral which was right down the street from where his parents are buried. He stayed with us for a vacation and we went to the Naples Casino where he won enough money to buy a new set of tires! His joke was come to Naples and get a new set of tires. He was funny and serious— a delight to my family!
