“ *I am one of Robert Haynie III's Pi Kappa Alpha fraternity brothers from GT. I certainly send my condolences to Robert and all of Polly's family on her passing. Polly and your family will be remembered in my prayers. I can certainly sympathize as my own mother is currently 87 years old, and I treasure the time the time that I can spend with her here in Appleton, Wisconsin.*

Best Wishes to you all.

“ Robert,

I was so saddened to hear of your loss of your mom. The loss of your mom is one of those inevitable events that always hurts deeply, whether it happens early or late in life. Your mom raised a loving son and good man, which is the highest tribute, I think, that any mother can receive. I am sure she touched the lives of many over her lifetime and that many will have loving memories of her. I am reminded of the quote from the Wizard of Oz, "A heart is not judged by how much you love, but by how much you are loved by others." I am sure she had a very, very big heart.

My condolences to you, Jeannette, and your entire family.
