Rachel Pinson Van Tuyl, 95, longtime resident of Menlo Park, CA died Friday, December 17, 2010 at Wesley Woods of Newnan, GA. Mrs. Van Tuyl was born in Newnan and her family moved to LaGrange, GA where her father ran a division of Callaway Mills. Her father moved the family to Chicago in 1929 when he opened a new office for Callaway. Prior to her marriage, she worked for the Chicago office of the Federal Bureau of Investigation.

In Chicago in 1938, she married United Airlines Pilot Russell Murray Van Tuyl who became a World War II pilot and Navy Captain based at Maryland's Patuxant Naval Air Station before returning to United Airlines in Chicago. In the early 1950's, United moved them to the San Francisco Bay area where they made their home for almost 50 years.

from southern Virginia in 1825. Her father, a skilled amateur golfer himself and a golfing friend of Bobby Jones, was a founding member of the Newnan Country Club, helped design and develop the golf course and was its first president. Her maternal grandfather, James Hays, a planter of Montezuma, GA was the first person to introduce the sweet potato into the United States. Condolences can be expressed online at www.mckoon.com

“ *I am sorry to find out about the death of my cousin. I have been tracing the Pinson side of my family. My great grandfather Judson Eugene Pinson was a brother of Ben Hill Pinson.*

“ *Dear Christi, I truly appreciate your putting Rachel's obituary in our local paper. I was ever so sorry to lose track of her when she was moved to Newnan, but I had heard that she had died in December. I was so thankful that she had found peace and rest. I pray that you will remember her characteristics that brought you joy and continue to share them. As long as you live, she will, too, because you know the stories. Sincerely yours, Susie Edwards*
