May 27, 1929 - August 7, 2016

Reginald Denny Coggin passed away peacefully in the comfort of his home and in the care of his family on August 7, 2016. His father, "Mr. Grady", as he was affectionately known, drove the first school bus in Coweta County. It was hand crafted by the school system from a flatbed truck and first operated in 1930. Mr. Grady did this in order for not only his children, but also others in the community to complete their education at Newnan High School. He joined the Georgia National Guard in July 1951 as a private, served eight years and obtained the rank of Captain. Most of his professional career was in sales. He was an associate of Jean Patou of Paris, France for 25 years as regional and national sales manager. He retired in 1992. As an active participant in the life of his community, he had been a member of Kiwanis,

American Legion and Elks clubs. His faith was grounded in Newnan First United Methodist Church where he had been a member since 1950. He faithfully served his church in many capacities. Reginald loved life and people and did many things to make the world more beautiful such as his infamous backyard gully which was spectacular; overflowing with roses, lilies, hostas and a wide variety of blooming annuals. He was still planting in the spring of his 87th year. He is survived by his wife of 60 years, Anne McKoy Coggin. “ *Dear Anne and Family,
We are so sorry to hear of Reginald's death. As we think back over
the happy years of our time with your family, we thank God for that
special time. God has been good to both of our Families and has
bless us in so many ways. As Don thinks back over the Madras
school years riding Mr. Grady's school bus and the decipline that
was demanded of children back then compared to none now.
Reginald and Mr. Grady were a lots alike.
Due to health reasons, we will be unable to attend visitation or the
service, but our hearts and prayers will be with you.
God loves you and we do too
