“ So sorry to read this and even sorrier that I did not know until after her service. I drove and worked many years with Reva in Fayette County. She was such a sweet sweet soul--and always the very same--always!! I remember especially how faithful she was to take care of her family and oh how she loved her grandchildren. You will all be in my thoughts and prayers.

“ Beautiful Reva,

*Thanks for making me your friend, I will pray
for your lovely family.*

*Fare well to Thee! But not farewell
To all my fondest thoughts of Thee;
Within my heart they still shall dwell
And they shall cheer and comfort me.*

“ *As her little cousin I always idolized Reva. She always playful, sweet and kind When I started first grade she was a cheerleader and made me the little mascot, always including me in her life. She lived her life with the end in mind, always kind and wanting to do what was right. Reva was always quick to apologetic she thought she hurt anyone. I love her so, and I know she is now healed and whole in the presence of her Heavenly Father and love ones there to meet her at heavens gate. I will always miss you and forever cherish the sweet memories you left with me. Goodby sweet Reva until we meet again.*

“ *I have so many wonderful memories of Reva it is hard to pick a few. Mama and Reva were so close when I was young. They spent a lot of time together including learning to drive ! When Johnson was president mama heard he was passing through College Park so she and Reva were determined that their children should see the president so mama checked me out of school and off we went with Keith and Dale to stand on the side of the road on Virginia Ave. to see the president. Reva and I have had so many laughs. She loved John Wayne!! One time I was in a parade and he was the grand Marshall in Atlanta. She was thrilled and went with me so she could see him! She saw him and said it was all she could do not to run over and grab him. When we got back to her house I used a lipstick and wrote on her mirror "I love John Wayne". She cracked up and We laughed about that for years. I have so many good memories with Reva that make me smile just thinking about them. May she Rest In Peace.*

“ Our thoughts and prayers are with all of the family. We have such special memories of Reva that will remain in our hearts forever. Reva and I walked many miles around Huddleston Pond in Peachtree City where we shared all the burdens and all of the joys in our hearts and she would always ask for prayer for her loved ones and she also would pray for me and my family as well. Ray and I will never forget the trip we took to the Bahama's where we had so much fun and laughter. She was such a beautiful and sweet soul and she will be missed, but there is no doubt that today she is with the Lord healed and in perfect peace.

“ I remember all the summers Reva, Maxine Rust and I spent together. The three of us only had brothers so we were like the three stooges. Spent our summers together going from one house to the other. I will always have the fond memories of those days etched in my mind. RIP sweet angel with the reunion of the family members gone earlier.
