“ *Dear Brenda, Barb and Boni, A smile will always come to my face when I think of your Mom. She was warm, friendly, beautiful, gracious and loving. She lit up a room when she walked in - with her quiet yet brilliant aura. Missing her final send-off and being with you will always be a regret. I am sorry we weren't there. Thank you for taking such good care of her these past 3 years. You did really good! Sending lots of love and hugs, K & G & Nanny*

“ *Brenda, Barbara and Boni - I just wanted to send a short e-mail expressing my sadness at your Mother's passing. Carolyn has been sharing for the past several years your Mom's heroic battle against ovarian cancer. She was a real fighter!! It was always so great to hear when she was in remission - she really was an inspiration to all of us. I believe I only met her one time at Avis's 80th birthday party out in LA. She was such a nice, attractive, positive person with such nice things to say about everyone. Everyone only had the nicest things to say about her. I'm sure you will miss her dearly. My thoughts will be with you on this sad day. Take care, Julie*
