“Sammy, was so sorry to hear about Roberta's death. My heart felt thoughts and prayers are with you and your family. It was 40 years ago on the 27th of this month that Aaron went home to be with the Lord and you were there and gave words of comfort and was so helpful to me in getting things cleared up at his work. Sorry I did not get by the funeral home or to the service for you and your loss of Roberta. May God give you comfort and His peace during this difficult time. In Christ Love, Syble Storey

“ Dear Sammy and family, Although it had been a couple years since Roberta and I had talked, I thought of her often and share some of our carpool memories many times. We rode together for many years before her retirement from GPC. I recall one morning when we were running late and it was Roberta's week to drive. Kyle and I loaded up in the Cadillac and headed down Shenandoah Drive with Roberta and we got pulled over for speeding! Kyle still remembers and it was one of those sweet memories that I will cherish. She was a wonderful person but most importantly, a wonderful friend. I am thankful for tge memories and I will miss her terribly! Love to you all.

“ To all of Roberta's family: I am so sorry to hear about Roberta. Wanted to let you know that you are in my thoughts and prayers. Sammy, I know how heartbreaking it is to lose your spouse. Unfortunately, I will not be able to attend the service for her due to medical issues I am experiencing. I pray that God will wrap his arms around all of you and comfort you and help you to find peace in the fact that she is no longer suffering.

Love to all of you,

“ Sammy. We are saddened by the loss of Roberta. I will always remember her kindness to me when I first married Steve so many years ago. She was so welcoming to a newcomer in the community for which I was grateful. We're thinking of you and praying that you will be at peace knowing Roberta is no longer suffering. What a wonderful feeling it must be for her to be wrapped in God's arms.

“ *Sammy, our thoughts and prayers are with you during this difficult time. Roberta will be dearly missed as will her beautiful laugh and smile. We will cherish all the memories and fun times. She so loved Miss Daisy and enjoyed hearing the latest news of what was going on in her life. The beach was her retreat and she loved sitting on the condo balcony watching all the activity, eating crab legs, and enjoying the sunsets. We were blessed to have had such a wonderful friend and we know that God has better plans for her.*
