“ As a student of then Major Tornow at the USAF Academy in the 1970's, I looked to him as a role model in all things - what it meant to have a passion for engineering, leadership, and service to Nation. During my senior year at the USAFA, he led engineering students in designing and building an automobile from scratch. We made plenty of mistakes (always fixed before we moved on). He was, at once, insistent on "getting it right" and a patient mentor in doing so. I have never forgotten the lessons he taught and will keep him, his family and friends close in thought and prayer.

“ Dear Barbara and family: I am very sorry for your loss. In the University of West Georgia family Rob was a gifted leader, a good friend, and a most valuable colleague. I have missed his steady, reliable and wise counsel since he retired. His word was his bond, and he exemplified all that is meant by integrity. As Barbara knows, Rob was at times frustrated by the byzantine politics and bureaucracy of higher education, but his persistence, his dedication to accomplishing the task at hand overcame those obstacles. I pray the repose of his soul, and I wish God's blessings and God's love for all of you in this your time of grief. Sincerely, Don Wagner

“ Barb and Family, Rob and I shared a unique experience being roommates during our Doolie (first) summer at the academy. We didn't stay in touch much during our subsequent careeers. We did have an extended conversation at the last class reunion and I was struck by his resolve and apparent sucess fighting his cancer. He will be missed. I am sorry for your loss. Tim

“ Barb, I am sorry to hear of your loss --- I was not aware of Rob's condition. He was always a real straight shooter and I am glad I had the opportunity to know him. I just signed up for our OHS reunion. I am sure that all our classmates also wish the best for you. We hope you will be able to attend, but understand if you don't. With deepest regards, Rich Flechsig

“ I remember my trip to visit Rob and family with my grandparents (Gladys and Frank) when I was a young girl with fondness. He was well respected and it was a true honor to see him in action at the air force base. To my young eyes he was the most amazing, most powerful, and most commanding presence I had ever met. He will live on forever in my memory as this man. My deepest condolences during this time. Sincerely, Diedre.

“ *Dear Barbara and family, I met Rob here through the Coweta Citizen of the Year Program and volunteer work. He was in the Newnan Rotary and I have been in Kiwanis belonging to the Kiwanis Club of Peachtree City. We put on the Great GA Air Show every October. But where I first met him was in the Pentagon. We were both Panel Chairmen in the Air Force Board Structure. He was the War Readiness Material (WRM) Panel Chairman and I was the Personnel Activities (PA) Panel Chairman. He did many, many good things here for our Newnan/Coweta community, but he was also an outstanding Air Force Officer. The work that he did helping to plan out the Air Force for the future is a wonderful legacy. Our deepest condolences to you and your family.*

“ *Dear Barb and family, You are in my prayers. I don't have the words to express how sorry I am in your loss. Rob was a wonderful man and he was instrumental in years of encouragement to complete college and then to go on to get my master's degree while still raising a family and working. He loved his family very much and I know that your hearts are missing him. May God carry you in His loving arms during your time of grief.*
