“ Elaine and I want to offer Ruth and the family our prayers and condolences. I was so shocked to hear of Dorsey passing. I enjoyed working with him at the Police Dept. so much. He was a joy to work with. I can still see the twinkle in his eyes when he was about to play a trick on one of us. The world lost a beautiful person. We thank God for putting him and his family in our lives.

“ *My daughter and Mary Beth became friends and that began my friendship with Dorsey and Ruth at East Point Christian Church. He truly loved and supported his daughters. I do remember his support and love to Amanda through her battle with Lupus. Through the years we went our separate ways, but I will always remember Dorsey as a family man that loved his parents and siblings, his wife, his children, and his grandchildren.*

“Sergeant Goss was an East Point legend; one of those cops I saw EVERYWHERE when I was a kid growing up...grocery store...local church...high school football games eating hogtdogs...he was part of the backdrop to the story of my life. I could not believe my good fortune when, in 1988, I became an East Point officer in some small way as an ode to so many of my childhood heroes, the good guys at EPPD. Sgt. Goss always, and I mean always, had a good word to say - to everybody! If he wasn't smiling or telling a story or relating his life to those we served, something was terribly wrong, or he just hadn't had enough coffee yet! Those moments were rare. There was never any question about which Sgt. Goss was walking into rollcall - it was the same trustworthy, dependable, even-keeled man EVERY SINGLE TIME. We all needed that. A lot of who I am today is largely due to Sgt. Goss being who he was then. He was a treasure, and he will be missed but remembered fondly by many. My sincere condolences to his friends and family. To the East Point crew who may read this, I challenge you to think of Sgt. Goss right now - he's smiling isn't he? What a great legacy!

“It has been my privilege to be friends with Dorsey Goss since 1981. As a new police officer, he, along with a select few, taught me so much. He was a kind, gentle man, quick with a smile, and always ready to help. He could defuse most situations with a few kind words or a story, while enforcing the law.

I will always remember him and be thankful for the opportunity to work with him. It was an honor and he will be missed.

“ My condolences to the Goss family. Dorsey was one of my few training officers at East Point before there was even such a thing as a training officer. When we rode together I learned that he worked part time with my dad at Colonial stores and was a friend of my dad. He was a brother in blue and my part time dad-he watched over his rookies like a mother hen. He used to take me to his house for lunch or supper with his family whenever we rode together. I bumped into him in Newnan several years ago and he hadn't changed one bit. He was as happy go lucky as ever. I cannot describe how sad I am to hear of his passing. He will be missed so very much. Godspeed Goose!

“Dorsey has been a good friend for more than 55 years, going back to our days at Russell High School. We then worked together for many years with the East Point Police Department. Dorsey was like a brother that I never had. His dedication to his job and his Christian beliefs will always be an inspiration. Prayers for Ruth and the family. He will truly be missed! May God Bless!
