Sandra would like for everyone to know her work here with us is done. She will carry many beautiful memories of each of you as she embarks on a new journey. A journey that begins with a beautiful reunion with family, friends, pets, Bruno, Lady, Lilly and Sissy who passed before her. A journey that will take her to a place with many beautiful lakes and beaches, where she can enjoy the beautiful sunsets she loved so much, free from all the pain and suffering she had endured.

Sandra was a special person who shared lessons of selflessness, caring, love and a sense of giving with her family and friends. She represented the best in which we all strive to be. We, her family, wish her a safe journey and though

we will miss her smile, her warmth and her love for family and friends. We will carry those lessons and beautiful memories we shared with you in our hearts forever. We love you and miss you greatly.

I am shocked. I just now saw this on face book. Sandra has been my best friend for many years and though we lost touch for several years she was still my best friend. Wendell my prayers are with you and Matt and the rest of the family. RIP my dear friend💔

“ Wendell, Matt, and family— My heart is just broken for you. Sandra was one of the sweetest, most caring people I have ever known. Even though I hadn’t seen y’all in a good while I have no doubt that she and I would just pick up where we left off. Please know that you all are and will be in my thoughts and prayers now and in the many difficult days ahead. She certainly was a treasure.

“ I have many sweet memories of Sandra, Gail, Alvin and Bryant and their parents when we built our church beside of them on Martin Mill Rd. We all hung out and stayed friends thru the years, then we all got married and moved on, but we would run into each other often. She loved her family, and was praying and believing she could beat the cancer! Last time I seen her she hugged me, and told me she knowed I was praying and to keep praying for her and her family. So you are all in my thoughts and prayers! Love all!
