“ Buddy, Tim and families, Our hearts are so heavy and sad for you and your families at this time. We did not know your Mother/Grandmother, but loved her through our Lord Jesus Christ and you. I know she will be surly missed. Even though we expect death, we are never really ready to face it with our loved ones. I want both of you to know that that was a wonderful and beautiful funeral, and you both were exceptionally well. Your Mother/Grandmother would be proud of you. We wish to express our condolence and may God give you the peace you need. We Love You very much. Eddie and Sara Lynn

“ As some of you know, Ms. Sara was the last person my Mom wanted to visit before she passed away. We had such a good visit with her, Syble and Juanita, I'll never forget it. She was such a sweet person, I always enjoyed spending time with the family growing up, she made everyone feel so welcome. She will be missed by all who knew her. May God be with you all to comfort you at this time.
