“ Bruce & the Elrod family, Rip and I so very sorry for this recent loss. We continue to pray for Gods hand of comfort & some sort of peace during such lingering grief. We seldom understand the plans of God but we can survive if we have faith to know those plans are perfect always because of his love for us.

“ To the family of Shirley Elrod from Nancy McLain,

Your sorrow is shared by many, and especially me. Shirley was a special mentor for me as I was a young mother and visited her many times. She was a good friend as I grew older. I am so sorry to hear of your loss, and more so that I will not be able to be at her farewell service and get to see everyone. I will be thinking of the family and pray that God will give all of you the strength to endure the pain you feel. You have lost so many over the year, but I am sure they are all in heaven together, and also having a great reunion.

I have a very important Doctor's appointment at 11:00 a.m., and if not for that, I would be present to say my "good-bye" to my friend, Shirley.

Love to all,
Nancy
