“ *I always felt very comfortable being in the company of Mr. Truman. Since knowing him over the many years after he and Ellen became fellow attendees of our church, Moreland Methodist in Newnan, I've always enjoyed the times in his company. He was a very good friend to both my mother Nancy McLain and my step-father Myron McLain, and I always knew they were in good company with Mr. Truman and Mrs. Ellen along on the many trips they made together and get togethers in general.. I miss the days of the "Drive and Dine" we had with him along. Very nice guy, very nice family. He is truly missed., Charles (Chuck) Wiles*

Charles Wiles again. Let me clarify my own comment above. Moreland Methodist Church is in Moreland, Ga. He loved being in the company of so many others there, that he and Ellen made the trip from their home in Newnan to Moreland for many years. Had they not found us in Moreland, I may not have ever gotten to have known such a kind man. It was a blessing to have known him.
