“Vickey, you and I shared the waiting room together as we waited for news of our spouses' surgeries. And it made life a little easier for both of us. Susan and I are so sorry for you and the family. But we know that Jim is in a better place where he will have no more pain, no more surgeries, and eternal rest. We pray for you and the family every day. Joe and Susan Gilman

Sorry buddy, I really thought you would beat this, as you have other problems in the past. You were a good friend and I will miss your company. Rest in peace. Carl Wolcott
