“ My condolences and prayers go the whole Bearden family wishing you all peace. I also say thank you to you, Bill’s family, for sharing Bill with those of us who were privileged to work with Bill. All those disruptive work shifts on weekends, holidays and crazy hours are appreciated. Bill was always there being more than an excellent controller and supervisor, Bill was a leader, a teacher, a stand-up g who taught many to genuinely care about building a tradition of excellence making Atlanta air traffic control the Nation’s best. Bill will never be forgotten. His tradition lives on.
God bless you Bill,
Mike (PY)
