“ *I spent 60 years with Bo, I was so lucky to have a brother like him. He was always there for me and my family. I was truly blessed to have him help out at our family business. He always had a quick wit or saying that just made us laugh. He always brought insight to our conversation, to which he and I had many. My best friend, my brother, I have always loved you and always will.*

Thinking of Billy makes me smile. When I was teaching Billy was always willing to help with IT problems...he could solve anything! He was generous with his time and a happy disposition.
