“ *So sad to hear about Bud's passing. He was one of my "older" cousins. Mama and Daddy (Howard and Mae Duncan) had me kinda late in life. I always liked to be around Bud. He was always so nice to me. He was fun and always made us kids laugh. Please know I will be praying for your peace. Take care.*

“ It is with sadness that I learned of Bud's death. My favorite memories growing up was going to grandma Duncan's house every Sunday and playing with all my cousins. Bud was a year older than me. Grandma had a big front yard and we played ball and chase. With regrets, we cousins as we grew older, only saw each other at funerals. Please know my prayers are with you and your family at this time. Bud will have a big welcoming committee waiting for him on heaven. God bless you all. Cousin Juanita Duncan Smith and Charles (Sut) Smith.

It is with deepest condolences that I write this message to Scott and his family.

Uncle Bud always held a warm spot in my heart. He was always happy to see our little group (My sister, Teresa - My brother, John "Bubba" - and me, Donna).

He was bigger than life and always filled the room with his presence, It wasn't just "hello Uncle Bud", no way he insisted on "Hello Uncle Bud Taylor", He was kind and friendly, generous with his hugs and kisses and handshakes for my brother....an all around good guy. Rest In Peace Uncle Bud Taylor, it was great to have one of the good guys as my uncle!!

*I will always love and remember you,
Donna Brown Candelaria*
