“ *Dearest Gloria and Family.....I can honestly say I feel like I have lost a brother...at the very least, a kindred spirit. Bill was a great friend and I will never forget the great memories both within and outside of Delta. To say we were both a little on the mischievous side would be an understatement. He was indeed my brother from another mother. I am truly sorry we had not had a chance to see each other very much since retirement...but I can tell you, I thought of him often and related numerous stories and escapades we were involved in. We will miss him terribly, but I know Heaven will be a better place with him in it. I'm sure he is already hard at work on God's fix it list. Kathy and I will keep you all in our thoughts and prayers. God bless!*

“ *Glo and Family: So sorry to hear about Bill, a fellow classmate and friend ECH, class of 1966. When I heard the news, I thought of how we described him as a classmate at ECH. I'll take this opportunity to let the world know what we thought of Bill. I'll quote from the 1966 "Kowetian". "His own man, he's perfectly willing to stand alone. If knows he's right but he doesn't have to: Bill's independence and rectitude influence those around him...he seems quiet, but the steady eyes and reasonable mind speaks with an authority beyond his years...he has led as our class President, but more as our friend." "Our Friend" says it all. I wish you and your family all the best. May God bless you all. Tom McKoon, friend and classmate of 1966.*

“Glo, our hearts goes out to you & your family in your and our lost. I don't know that I have ever met a more talented man in my life. The only two things Bill had problems with fixing, was a broken heart and the crack of dawn, but give him time and he would find a fix. Our prayers go out to you. Love you much.

“Glo, No words can express the shock and grief we feel at Bill's passing. I know that Bill is in Heaven looking over his family and friends. I am sure he is working on some "Special Project" for God; like a remote control for the "Pearly Gates"! We are all very fortunate to have great memories of Bill's fellowship. I will miss his camaraderie. With Love and Prayers, Bill, Norrie & Windy Morgan
